➤ STUDENT CONVENTION GUIDELINES

Please read the Guidelines for complete details about event changes and all other Student Convention rules and instructions. The *Student Convention Guidelines* are available at aceschooloftomorrow.com/convention-guidelines. Online registration will be available September 30, 2023.

➤ EVENTS OF THE HEART

The Events of the Heart category is designed to allow students who are not able to be competitive on their own in any events (due to mental limitations) to compete at Student Convention and be recognized at the Awards Ceremony. Contestants must meet all International Student Convention qualifications and register at Regional and International Conventions according to the *Student Convention Guidelines*. The contestant may participate alone, with the help of another student, or with the help of an adult. Events of the Heart students may not compete in any events requiring more than two contestants.

- Qualifications:**
1. Contestant must be mentally challenged to the extent that the student is incapable of entering any regular competition.
 2. Complete the Events of the Heart Registration form during the registration process.
 3. Qualification Affidavit must accompany judges' forms and be properly signed.

➤ **GAME ZONE EVENTS**

Check with your Local Convention Coordinator to find out more about Game Zone events. Each RSC may or may not have Game Zone events. Game Zone events will be available as time and facilities allow. Please note that scheduled events will take priority over any Game Zone events offered during the week.

➤ **REGIONAL STUDENT CONVENTION EXCEPTIONS**

Students may add one more athletic event, one more elimination event, and two more performance events to their event total than are allowed at ISC. They can participate in a total of four athletic events, three elimination events, and eight performance events. The maximum number of events remains at twelve. Students will need to enter two nonathletic events before they are able to enter athletic events. This will not be the case for ISC. Golden Apple, Golden Harp, Golden Lamb, Christian Soldier, and Christian Worker participants need to complete all memory work by Regional Student Convention in order to receive a first-place medal.

➤ **DRESS AND APPEARANCE REQUIREMENTS**

In keeping with A.C.E.'s conservative dress standards, the dress requirements as stated in the *Student Convention Guidelines* must be observed by everyone officially associated with Student Convention. Participants, contestants, sponsors, and coaches are to dress in conservative, appropriate, modest attire. Fads or extremes are inappropriate and will not be allowed. Participants are asked to show deference to the intent of the appearance guidelines. Violators will be asked to change their clothing or leave the Convention. Dress requirements will be followed throughout the entire Convention, including ARRIVAL and DEPARTURE. Only those meeting the dress and appearance requirements will be allowed to register and remain on the premises. It is the responsibility of the sponsor to ensure that all students and parents are informed of the dress and appearance guidelines prior to departing for Convention. Refer to the General Guidelines on the website for complete appearance standards at aceschooloftomorrow.com/convention-guidelines.

➤ **INTERNATIONAL STUDENT CONVENTION**

As you prepare for your A.C.E. Regional Student Convention, be sure to also plan to attend the A.C.E. International Student Convention, **May 25–30, 2024, at the University of Central Missouri in Warrensburg, Missouri.**
